MAYOR'S MESSAGE

The passage of Fiscal Year 2014 was marked by the advancement of several key initiatives in the City of Rutland. Strategies to further our community's public safety, economic development, and neighborhood quality of life goals moved from the stage of feasibility to implementation with demonstrable and dramatic results. These initiatives, however, were years in planning and we must recognize that our commitment to the goal of Rutland's renaissance requires an understanding of the strategies and the willingness to follow them through.

In 2012 the Mayor's office began working directly with Police Chief James Baker to implement a program to change the environment on our streets and in our neighborhoods in order to modify behaviors of those who would do harm to the community. This program was the Community Intervention Team (CIT) and it was initially comprised of inhouse staff including the mayor, police chief, fire marshal, building inspector, health officer, and RRA director. It was soon recognized that this collaborative group needed to be expanded to include other stakeholders (including corrections, mental health, domestic abuse, drug treatment, crime analyst) and this broader group was the building blocks of Project VISION.

Using a model of data-driven, intelligence led policing and crime mapping (Drug Marketplace Intervention – DMI) we have already seen a reduction in quality of life crimes through a strategy reliant on the work of partnerships between local, state, and federal law enforcement and non-traditional social service and criminal justice partners. For some, the mantra “we cannot arrest our way out of this problem” results in the misguided belief that we stand-down law enforcement efforts, indeed just the opposite is true. Under the DMI model, aggressive law enforcement activity and accountability for those who do harm is the hallmark of the strategy, and through this strategy Rutland City has fast become a model of progressive and extremely effective law enforcement not only throughout Vermont, but the nation as well.

Over this past year, the City has also seen significant strides in neighborhood stabilization and blight remediation as a result of the seeds that were planted several years ago. In 2011, we began the process of developing a housing needs assessment to determine what environmental factors were impacting blighted conditions in our neighborhoods and this process led to a revitalization strategy that in 2014 resulted in the granting of \$1.25 million from the State's Community Development Program to further our goals. Coupled with a voter-approved \$5.2 million bond aimed at infrastructure improvements in the northwest neighborhood and public safety efforts this strategy has already resulted in a change in feel in the

neighborhood, and we still have not fully implemented the neighborhood revitalization strategy that will result in de-densification, home ownership, and the creation of much needed green space.

Along with the public safety and neighborhood stabilization strategies, Rutland also in 2014 continued to reap the benefits of public-private partnerships and collaboration in the arena of economic development. Our downtown is now recognized throughout the region and the state as a destination and a shining example of the community's renaissance. Storefront vacancies are at an all-time low and the energy created by new and exciting businesses and experiences has created a buzz heard in all corners of Vermont. This strategy too was part of a long term plan that had its seeds in the Creative Economy initiative that was sparked by community involvement and volunteerism that enjoyed the singular goal of making Rutland the best place to live in the state.

While we have made great progress in rebuilding and transforming the community over these past twelve months (and previous years), we must recognize that we cannot "let up on the gas pedal" as we continue to capitalize on our community spirit of rebirth to further our renaissance. These successes do not happen by accident, and it will take the entire community to build on our successes and see through this phase of our Rutland City's transformation.

Christopher C. Louras
Mayor

CITY ASSESSOR'S OFFICE

Barry J. Keefe, City Assessor

To the Citizens of the City of Rutland:

I am pleased to submit the annual report of the Assessor's Office for the fiscal year ending June 30, 2014.

The final Grand List as of April 1, 2014 totaled \$ 1,020,146,177, a net increase from April 1, 2013 of \$2,663,457, or less than one percent. The Common Level of Appraisal (CLA) as of January 1, 2014 improved from 91.04% to 95.6%; and, the Coefficient of Dispersion (COD) improved from 18.41% to 17.54%. These statistical studies, completed by this office in cooperation with the Vermont Department of Taxes, Division of Property Valuation and Review, produced anticipated results given the economy.

There are fewer sales being recorded, and valid sale prices are more in line with the listed value. In the last year there has been a significant slowdown in legitimate sales which has resulted in a lack of comparables for professional appraisers to use in estimating values. Foreclosure sales have also been on the rise further impacting the housing market.

Rutland City, its leaders and residents are actively engaged in strengthening our community and the housing market. Planning and investment in community development is revitalizing city neighborhoods, our downtown and our city gateways. Tree plantings by our Arborist, Dave Schneider; flower planting by the Garden Club with help from local college and high school students; seniors helping with mailings and working at the polling places, all contribute to the community spirit that strengthen the housing market.

I would like to thank The Mayor, City Attorney, Department Heads and staff for really working well together to improve the services provided. The Board of Aldermen has been positive and supportive. The level of citizen involvement has ticked up in recent years and it is bearing fruit. The Creative Economy, the Farmers Market the Garden Club, the Library, the Historical Society, the Paramount and Peg TV as well as a host of other organizations have pitched in and helped make The City of Rutland a desirable place to live. That helps the real estate market. Thanks to my Secretary, Marlies Washburn for her caring spirit.

REPORT OF BUILDING & ZONING DEPARTMENT

James P. Simonds, Zoning Administrator

Robert D. Barrett, Building Inspector

Annual Report — July 1, 2013 – June 30, 2014

Value:

Certificates of Occupancy Issued:	927

New Commercial Construction		\$ 2,545,457.00
Commercial Renovations		8,095,620.00
New Residential Construction		401,000.00
Residential Renovations		1,104,422.00
Building Permit Fees Collected:		\$ 16,517.13
Other Fees Collected:		
53 Sign Permits		\$ 2,450.00
23 Development Review Board Hearings		\$ 1,900.00

REPORT OF THE CEMETERY COMMISSION

Chris Book and Tom Giffin Cemetery Commissioners

To the Mayor of Rutland, Honorable Board of Aldermen and the Citizens of the City of Rutland: Rutland is responsible for the care and on-going maintenance of the following city cemeteries; West Street Cemetery, Old Congregational Cemetery on North Main Street, House of Correction's Cemetery located behind Northwest School and the Poor Farm Cemetery located at the transfer station off Gleason Road. The keys to the gates of West Street and Old Congregational are available at City Hall or from the cemetery commissioners upon request. The Vermont Department of Correction work crews continue to provide mowing and some maintenance for Rutland's old burial grounds. The DOC work crew, led by Edward Cole, mowed Rutland's cemeteries 13 times and provided over 1440 man hours of work in Rutland's old burial grounds. In addition to the regular mowing, the crews did tree/brush and leaf removal and some monument work. The cost to the city was \$3,100. DOC provides the equipment, fuel, insurance and the workers in the cost.

A new fence was installed in the summer of 2012 at the Poor Farm Cemetery and the granite memorial monument was placed near the informational kiosk inside the fence. Unfortunately, soon after the fence was installed, a windstorm blew down most of the east side of the fence and it was leaning on some of the newly planted trees the city forester provided for the cemetery. The fence has been repaired and we are waiting for the trees to be replanted. Rutland Farmer's Indoor Market has relocated next door to the West Street Cemetery. The derelict building, adjacent to the west fence, was demolished and it certainly was an improvement to the entire West Street area. The removal of the building did create a very large gap in the existing cemetery fence, which unfortunately allowed vandals access to the cemetery and damage was done to some of the restorative work that was completed last year. The fence was repaired and the commissioners wish to thank Mayor Louras for his quick assistance in ensuring that the fence repair was accomplished in a timely manner. It is the hope of the commissioners that with the current improvement to West Street that more interest in preservation of this historic burial ground will be generated and there would be less destruction in the cemetery.

The city has also relocated a Rutland Railroad rail car next to the West Street Cemetery. This unique attraction, along with the new sidewalk that the city is planning on installing in front of the cemetery, should increase the public's interest in this historic burial ground. The long neglected House of Correction's Cemetery, located behind Northwest School and next to the Rutland Bike Path has been restored. The fence and entrance gate have been repaired. The monuments have been raised and had epoxy applied where

necessary. Two new signs have been placed within the fence identifying the unfortunates that are interred there and the name of the cemetery. The Stafford Technical students did an outstanding job with the sign next to the bike path and passers-by will not have difficulty reading the names and dates on this attractive marker. Mount St. Joseph Academy sent several of their football players to the cemetery to help straighten and reclaim the monuments, many of which had sunk to within a few inches of the grass. Thanks to MSJ Coach Jeff Cassarino for volunteering his players for such a unique project.

The Rutland Middle School Enriched Studies Program students once again spent two days in the city's cemeteries cutting brush, replacing a monument for a Civil War soldier and straightening stones. This year in addition to the ongoing maintenance work, the RMS students assisted in applying epoxy to the broken monuments. The city was at both cemetery work sites with a wood chipper, after the students finished the work. The promptness from the Public Works Department was first rate. Thanks to RMS Social Studies teachers Ted Lindgren and David Cornwell for another successful program. Both schools are planning on returning to Rutland's cemeteries next year to continue to assist in restoring these historic cemeteries. The commissioners and other volunteers that were working with these young people were impressed with the willingness and sense of pride they showed in the work they were doing for Rutland's burial grounds. The city should be proud of these efforts. If anyone and/or group is interested in volunteering at one of Rutland's cemeteries, please contact the cemetery commissioners.

The Ann Story Chapter of the Daughters of the American Revolution continues to place the flags on the veteran graves before Memorial Day. Thanks to David Buley Jr. for helping put out the flags this year. If anyone is interested in volunteering to help with placing flags, please contact the cemetery commissioners

The cemeteries in the city have had issues for many generations. In the First Annual Report of the City of Rutland 1893, from the cemetery commissioner I quote the following: "On assuming the office, I found the public cemeteries to be in a deplorable condition. In this cemetery (West Street) may be found all kinds of debris ... wire stove pipe etc. It would seem that this place had been used for years as a dumping ground for refuse matter of this description. In addition to this the fences are in a dilapidated condition as well as many of the stones which mark the graves. The condition of this burial place has been disgraceful for years and if I mistake not its condition was brought to the attention of the Grand Jury a few years since. Respectfully submitted, B.W. Marshall, Chairman, Cemetery Commissioners." The annual city reports are available at the Rutland Historical Society.

Rutland's old burial grounds are still in the long and tedious process of being restored. The old marble stones tell much of the history of our city. Veterans from all the colonial wars and many of the original settlers of Rutland are buried in the city's cemeteries. The commissioners encourage city residents or anyone interested in the history of Rutland, to help in the restoration effort of the Rutland's historic burial grounds. If you or a group wishes to assist in this effort, please contact one of the cemetery commissioners. Donations can be sent to the Rutland Historical Society Attn: Cemetery Account, 96 Center Street, Rutland, Vermont 05701

Respectfully submitted,
Chris Book, Cemetery Commissioner
Tom Giffin, Cemetery Commissioner

OFFICE OF THE CITY CLERK

Henry A. Heck, City Clerk

To the Citizens of the City of Rutland:

I respectfully submit the following Annual Report for the Rutland City Clerk's office for the year ending June 30th, 2014.

Fiscal Year 2013-2014. This past year was very busy here in the Clerk's Office. First, I would like to welcome the addition of Julie Tripodi (1st Assistant Clerk) from the Treasurer's Office. Julie comes with a wealth of knowledge and has made an immediate impact on our office. My sincere thanks to Susan Clark (Deputy Clerk) and Sara Magro (Purchasing Agent) for working through the transition here within the office. A special thanks to Meg Grace for all your help and support. I would like to thank Mayor Louras and the Rutland City Board of Aldermen for their continued support. We all look forward to serving the citizens of Rutland City.

Henry A. Heck
Rutland City Clerk

Reported Revenue from the Clerk's Office for Fiscal Year 2013-2014
Total \$ 181,167.00

Vital Records (copies & vault time):

All certified copies of Birth certificates, Deaths certificates, Marriage/ Civil Union licenses are available for \$10.00 per copy as set by the State of Vermont. Uncertified copies are available for \$2.00/copy. Vault time is charged at \$2.00/hour.

Vital records recorded in Fiscal Year 2013-2014:

Births.....	447	Deaths.....	455
Civil Union/Marriages.....	171		

Land Records:

1889 visitors used our vault. All land records are available for \$1.00/page for each copy. Certified land records are \$10.00/page and vault time is charged at \$2.00/hour.

Recording Fees:

12,179 pages of land records were received and recorded. The cost of recording land records is \$10.00/page, (excluding PTTR which is \$10.00 per document) as set by the State of Vermont.

DMV Registration Renewals:

44 DMV renewal registrations were processed. There is a \$3.00 cash fee to process your renewal.

Business Licenses:

The following business licenses were issued. Business Licenses are valid from May 1st until April 30th of each year:

Restaurant & Victual Establishments	110
Bowling Alley	1
Theatres	3
Hotels, Motels & Inns	7
Circuses, Carnivals, Shows & Fairs	8
1 st Class Liquor Club/Cabaret License	18
1 st Class Liquor Restaurant License	36
2 st Class Liquor License	32
Outside Consumption Liquor Permits	17
Entertainment Club Permits	14
Tobacco Licenses	39

Dog Licenses Issued:

1,001 dogs were registered. Of that, 923 were spayed/neutered. Dogs must be registered by April 1st of each year and a current rabies certificate is required. After April 1st, late charges apply.

License fees are as follows:

Spayed/neutered fee before April 1st \$13.00; After April 1st \$16.00

Un-spayed/un-neutered fee before April 1st, \$17.00; After April 1st \$22.00

For those of you who are unable to come down to the City Clerk's Office to register your dog(s), mail us the postcard we send you along with a current rabies certificate and proper payment. Once we receive and process this information, we will mail your dog license and tag. We hope this will make it easier for those who are unable to come in to register their dog(s). The Clerk's Office would also like to welcome Animal Control Officer Tim Jones whom we work with closely to ensure all dogs are registered and vaccinated according to State law.

Election: March 4, 2014 City Election

May 13, 2014 Special School Revote

It was a busy year for elections in the Clerk's Office. The City had two elections with the additional School Revote in the FY. I would like to thank all the Election Officials as well as my staff who work long hours to insure those who are registered to vote have that right. Your extremely long days are greatly appreciated here in my office.

Changing your voting address or registering to vote:

If you are registered to vote in Rutland City and have moved to a new address within the City you may change your voting address over the phone by calling our office at 773-1800 and press 5. If you have moved to Rutland City from another town or state you can stop by our office up to 10 days before any election and register to vote. It only takes a few minutes to register.

We here in the Clerks' Office look forward to serving the citizens of Rutland City. We also recognize the challenges ahead of us and look forward to meeting them. Please remember that our web site www.rutlandcity.org contains valuable information on all City departments, Charter and Ordinances, Minutes of all Boards, Commissions and Committees as well as general information on the City of Rutland. Again we look forward to serving your needs in the upcoming year.

Respectfully Submitted,
Henry A. Heck
Rutland City Clerk

REPORT OF THE DEVELOPMENT REVIEW BOARD

Annual Report -July 1, 2013 – June 30, 2014

Stephanie A. Lorentz, Chairperson

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

The Development Review Board is pleased to submit the annual report for fiscal year ending June 30, 2014. Board members are Stephanie A. Lorentz, Chair, Al Paul, Jim Pell, Steve Wilk, Mike McClallen and Brendon Collins alternate.

We held 23 public hearings during fiscal year 2014. Hearings are scheduled on the 1st and 3rd Wednesdays of each month and are held in the evenings in Aldermanic Chambers. The hearings are warned in accordance with State law. The Board's responsibilities include hearing zoning appeals, variances, conditional uses, site plan reviews, design control district reviews and subdivisions.

The Board wishes to thank the residents of the City of Rutland for their active participation in the public hearing process, Jim Simonds, Zoning Administrator, Carol Wagner, Clerk for the Development Review Board and the Mayor for their continued support of our efforts.

RUTLAND FIRE DEPARTMENT

ANNUAL REPORT

It is again my privilege to report on the status of your Rutland Fire Department during the period July 1, 2013-June 30, 2014.

Your Rutland Fire Department at Work:

The fire department responded to a total of 1802 calls for service. They are classified as follows:

Fires in Structures	68	Other Types of Fire	0
Hazardous Materials	70	Vehicle Fires	5
Rescue/EMS Assist	119	Hazardous Condition	73
Brush/Grass	6	False Alarms	258
Service Request	1184	Rubbish/Dumpster	7
Mutual Aid Given	12		

Included in the above statistics are 58 Second Alarm Calls, 7 Third Alarm Calls and 3 Fourth or Greater Alarm Calls.

Personnel

As of June 30, 2014 the department had 28 full time personnel and 17 part time personnel. On January 1, 2014, Lieutenant James Miles with 16 years of full time and 13 years of part time service with the Rutland Fire Department was promoted to Deputy Chief of Training and serves as the C-Shift Commander. Firefighter Robert Miles a 34 year veteran of the Rutland Fire Department was promoted to Lieutenant and was placed on the B-Shift. On January 23, 2014 Substitute Firefighter Brent Garrow was promoted to full time status and is assigned to the A-Shift. I would like to thank the members and officers of the Rutland Fire Department for their work to protect the citizens of Rutland over the past year.

Equipment

The department apparatus fleet consists of (4 engines) including one Quint (Ladder Equipped Engine and an Aerial Platform, two service utility vehicles, a fire alarm maintenance bucket truck, a Hazardous Materials/Decontamination Trailer and a Technical Rescue Trailer. The Department took delivery of our new 2014 Pierce Velocity Triple Combination Pumper on June 13, 2014. This vehicle can pump water at a rate of up to 2000 gallons per minute and carries 1250 gallons of water in its tank, a full complement of hoses, nozzles, forcible entry and ventilation tools, ground ladders and hydraulic rescue tools for quick use at automobile accidents and this is only a partial list. This vehicle if properly maintained should serve us for about 20 years. On behalf of the City of Rutland Fire Department, I would like to say Thank You, to the people of Rutland for their support of the Fire Department.

Services Provided

The department provides fire suppression, fire prevention/education, hazardous materials response at the operations level and decontamination. In addition we are trained and equipped to respond to technical rescue incidents involving extrication from vehicles and machinery, rescue from confined spaces, trench collapse and can perform rope rescue operations. The department provides contract fire protection to the Town of Mendon, and three large businesses in Rutland Town and contract Crash/Fire/Rescue services to the Rutland Southern Vermont Regional Airport. In addition to emergency duties members maintain the municipal fire alarm system, maintain apparatus and equipment and the fire station and grounds while on duty. The department also assists with community projects such as hanging banners downtown, and other community promotional efforts.

Training & Education

In addition to responding to calls for service from the public, employees spend hundreds of hours training, presenting public education programs, and conducting pre-incident planning for emergency responses. During this period, members of the department attended regular training to maintain their skills and state certification. They also attended specialized training in Hazardous Materials, Aircraft Crash Fire and Rescue, Technical Rescue Operations, Safety and a variety of other specialties.

Grants

The department has applied for and received over \$1,000,000 in state and federal grants over the past twelve years. These grants have allowed us to upgrade our communications system, purchase protective equipment for our members, replace our outdated emergency generator, and develop and maintain the ability to respond to special hazard calls such as hazardous materials, and technical rescue. The department continues to aggressively apply for grant funds.

Chief Engineer & Emergency Management Directors Report

I returned to work full time on July 1, 2013 after recovering from a heart attack suffered while fighting a fire on Elm Street in February 2013. As your Chief Engineer, I continue to work to make sure the Rutland Fire Department is trained, and equipped to handle the emergency situations that may affect Rutland. I attend many meetings representing the City and the Fire Department in the City of Rutland, in surrounding towns, at the Vermont Fire Academy in Pittsford, and in Montpelier and Waterbury. These meetings are important as to make sure Rutland is represented at the local, regional and state level for planning and to help obtain grants. I have also attended meetings of Rutland United Neighborhoods and other community groups as requested. In addition to my duties as Chief Engineer,

I serve as City Emergency Management Director and represent the Fire Service on the Governors Homeland Security Advisory Council and the Vermont Enhanced 911 Board.

Emergency Management

Maintain and update the Rutland City Rapid Response Plan and Rutland City Emergency Plan. Attend monthly Local Emergency Planning Committee meetings LEPC # 2 covers all of Rutland County and assists with local, regional and state level planning for all hazard response. Monitor possible sources of grant funding for City emergency preparedness projects. Respond to and assist in the coordination of services at natural and man made emergency situations within the City or Rutland and the Rutland Region.

Open Burning

We receive numerous complaints about people burning anything from brush to trash in the city. The following information is provided regarding open burning within the City of Rutland. Due to the fact that the City is so densely populated, open burning is **not permitted** without a permit from the Chief Engineer. Such permits are **only** issued for the occasional bonfire at a school or college, or for municipal emergency situations or commercial cooking purposes. Cooking fires do not require a permit but **only charcoal or LP gas may be used for fuel**. If an outside fire is creating a nuisance it may be extinguished by the department.

RUTLAND FIRE DEPARTMENT OPEN BURNING INFORMATION

Open burning other than small cooking fires fueled by LP Gas Charcoal is not permitted within the City of Rutland unless a permit is issued by the Chief Engineer. It is always a good idea to check with the department if you have a question.

The reason for this policy is that Rutland is a densely populated community with buildings close together. In addition to the possibility of a fire spreading to a structure there are concerns about air quality and the nuisance smoke can create for people with respiratory problems.

The policy on issuing burning permits is as follows:

- Small fires for cooking using LP gas or Charcoal are allowed without a permit.
- Fires for educational institutions or community events such as bonfires for sporting events where a permit has been issued. In the case of a bonfire the fire department stands by while the fire is in progress these fires are typically in more remote areas of the City.
- Special events where approved and a permit is issued by the Chief Engineer.
- Emergency situations as directed by health officials or the Mayor.

The burning of trash, painted/treated wood, shingles, tires and similar materials is prohibited by state law. Only clean, untreated wood can be burned at a permitted fire. Persons who have un-permitted fires or are burning illegal materials are subject to being issued a ticket for violation of the open burning ordinance and may be subject to additional state enforcement actions.

For information about fire safety contact the Rutland Fire Department at 773-1812. Members of the public are encouraged to visit the department during normal business hours. Tours can be arranged for school and community groups.

On behalf of the Fire Department, I would like to thank the Mayor, Board of Aldermen, city hall personnel, the School Department, DPW, Recreation Department and all city officials and employees who assisted the Fire Department in any way during the past year. We again offer our thanks to the citizens of our city for their continued support of their Fire Department. Also a very special thank you to our mutual aid partners for their assistance, many times this past year with emergencies and special projects.

If you have any questions about fire safety, emergency preparedness, or the

Rutland Fire Department please call us at (802) 773-1812.

RUTLAND CITY POLICE DEPARTMENT

FY 2014 Annual Report

To the Citizens of the City of Rutland,

I am honored to submit the FY 2014 Annual Report for the Rutland City Police Department (RCPD). The members of the RCPD work hard to provide the best public safety services possible. I am extremely proud of the work that the men and women of the RCPD do daily to impact public safety for you and visitors to Rutland.

One of the operating premises of the RCPD is that we are a partner in creating an environment in Rutland where people want to live, work, play and visit. Our role is to provide a safe city for everyone to enjoy the many benefits Rutland City has to offer.

This past year, triggered by Governor Shumlin's State of the State Address in front of the legislature, Rutland made national and international headlines on the issue of opiate abuse. Almost immediately, we were bombarded with media coverage from around the world. It brought what some thought was a negative light to Rutland. What the media coverage did do is help to continue a dialogue that had gone on for the previous 18 months about tackling and dealing with the real issue of substance abuse in our community. Rather than shying away from this challenge; the Rutland Community has taken the substance abuse challenge head-on. Project VISION is the community response to the quality of life issues that are the result of substance abuse, family dysfunction and mental health issues that are the direct or indirect result of substance abuse. Project VISION is a coalition of over 200 partners from different agencies, organizations, non profits, neighborhoods, city agencies and faith community. The organization is broken into three subcommittees that set outcome based solutions to the challenges presented from quality of life issues in the city. The participants in Project VISION are committed to collaboration, coordination and cooperation for the greater good of Rutland. This has resulted in unprecedented crumbling of silos or insular thinking. In the past year, the coordination developed through the partnership efforts of Project VISION has been amazing. I urge all citizens to adopt our motto: WE BELIEVE IN RUTLAND. Please visit Project VISION's website at www.projectvisionrutland.com for more details.

In order to accommodate the expanded role of the RCPD in the community, there needed to be a structural change within the agency to support the expanding partners now housed at the RCPD. On a daily basis, we have an in-house working collaborative of community resources that support our efforts to find long term solutions to challenging social problems; problems

that are at the core of crime, substance abuse and disorder in our neighborhoods. The issues surrounding community disorder driven by substance abuse are complicated and require a complicated response which is why we have assembled a diverse response team based inside the RCPD. A sampling the agencies we have partnered with are the Rutland County State's Attorney's Office (Early Intervention Program), Rutland United Neighborhoods (mediation service), Rutland Mental Health (2 crisis intervention workers), Vt. Department of Corrections (embedded Community Correction Officer), VT Attorney General's Office (part-time dedicated prosecutor), Rutland County Parent-Child Center (2 dedicated social workers) and Rutland County Women's Network and Shelter (domestic violence advocate). This collaboration is not found anywhere else in Vermont. We are very proud of the work being done.

In order to support this coordination, we made significant structural changes which are reflected in the table of organization provided with this report.

Our enforcement and response strategy continues to be driven by our expanded data collection and analysis. Our ability to identify "hot zones" of activity has been refined over the past year by adding a crime analyst to the department and the launching our Analyst Service Unit. This effort has resulted in an enhanced sharing of information with our partners that allows a better response to quality of life issues in the city.

Data analysis is the basis of our biweekly RUTSTAT meetings where we plan our strategy in 2 week increments to better address emerging trends and issues. Early indications show that our collaborative efforts are beginning to show results.

We commissioned an independent review of our Calls for Service from 2012 through the first 6 months of 2014. The purpose of this review was to measure the progress of the nature of calls as they pertain to quality of life. The findings, prepared by Crime Research Group Report, are posted on the Rutland City Website (www.rutlandcity.org). The findings show that for the first 6 months of 2014 (last half of FY 14) we have decreased quality of life Calls for Service by 25%. Six months is not enough time to be definitive that the strategies we have in place are the root cause of the decrease, but we are extremely happy with the trend that the findings reported. We will continue to measure our success not by the number of arrests, tickets issued or drugs seized (although important); but by reducing crime and improving the quality of life issues in the city. On behalf of the hard-working and dedicated men and women of the RCPD, I thank you for your continued support and we look forward to serving you in the coming year.

Chief James W. Baker

DEPARTMENT OF PUBLIC WORKS

FY 2014 Annual Report

Jeffrey Wennberg, Commissioner of Public Works

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

I hereby submit the annual report of the Department of Public Works for Fiscal Year 2013-2014. Please refer to the following division reports for information regarding the department's activities between July 1, 2013 and June 30, 2014.

A great deal of progress was made during fiscal 2013-2014 in many areas. The Streets Division and private contractors installed new sidewalks along Wales St, Killington Ave, West St, Church St, South Main St, and Madison Ave. The new multi-use path through Main Street Park was started and the second section of the Creek Path was completed during the year.

A new storm sewer system was installed on Southern Boulevard and work began on a related stormwater treatment system that should help improve water quality in Moon Brook. Killington Ave saw continued work on a new water main, improved storm drainage, disconnection of an outdated sewer main, a re-graded street with new paving and curbing, and a significant improvement in sidewalks along the north side of the street. A study of the best way to connect this sidewalk with Stratton Road was initiated with the hope that a project to complete this sidewalk might be grant funded in the next few years.

Crescent St Bridge was closed for about 8 weeks for the installation of a new bridge deck and railing. This was funded by the voter-approved Bridge Bond and will give us about ten more years' service, at which time the structure will probably have to be replaced.

Work on the long-awaited Routes 4 & 7 project began in the spring of 2014. One of the first items was the repaving of Woodstock Ave. The project schedule afforded a one-moth experiment with a traffic calming reconfiguration of the road, called a 'road diet'. The new configuration allowed one travel lane in each direction with a shared center left turn lane and two 5 foot bike lanes along curbs in both directions. This proved to be one of the most controversial changes the City has seen in many years. Advocates for the road diet and the four-lane configuration squared off in public meetings and social media for the length of the trial. In the end, the Board of Highway Commissioners decided that the four-lane configuration should be restored when the final pavement markings were installed.

The winter of 2013-2014 was one for the record books. While temperatures were near normal at mid-winter, the cold started early and stayed very late. Snowfall also made this feel like an 'old-fashioned winter' especially two massive late season storms that pushed the DPW road crews to the limit. By most accounts the crews' work earned high praise from Rutlanders and visitors alike. We are indeed proud of the dedication and expertise of our winter maintenance crews. But the overtime and high demand for rock salt caused the Department to exceed the Winter Maintenance budget by 20 percent, or about \$90,000. This was actually good compared with the State of Vermont and many other communities who reported budget overages of up to 40 percent. The Department made up the difference by reducing spending in other areas, notably (and regrettably) street paving.

The winter also placed a heavy demand on the Water Distribution Division which responded to a near record 21 water main leaks through the 22 week winter season. Many of the leaks were minor but several, especially one on a frigid February night at the corner of Church St and Roberts Ave, were substantial.

On May 27th a thunderstorm brought massive amounts of large hail and rain to the area. The hail shredded tree leaves and the rain washed the litter to catch basins that quickly become clogged. The result was a brief but intense period of street flooding, with nearly every street flowing like a river, curb to curb. Property damage was substantial, including \$14,000 in broken ornamental lighting globes downtown, roof damage and hail damage to multiple vehicles. While the street flooding was as intense and widespread it was generally short lived because once the storm passed fire fighters, DPW workers and citizens started clearing catch basin grates and the sewers took the deluge away. Readings at the Wastewater Treatment Plant confirmed that this single storm dropped total rainfall of 1.65 inches, most of it in 24 minutes; the rainfall rate at peak (4:40 PM) was 7.38 inches per hour; the volume of water that fell on Rutland City was 220 million gallons, or enough to fill Gillette Stadium half way to the top.

In March voters approved a \$5.2 million bond for the Northwest Neighborhood Sewer Separation Project, which got underway shortly after the close of the Fiscal Year. The project will address combined sewer overflows, or the discharge of raw untreated sewage to East Creek, during significant rain events. It is required by an enforcement order from the State of Vermont but will result in some dramatic benefits for folks living in the 55 acre area, including reduced street flooding, elimination of sewer backups into basements, and in some areas new street surfaces, sidewalks and curbs. The work is also supporting a major housing improvement project funded in large part by a grant from the State of Vermont and managed through the Rutland Redevelopment Authority.

The Department said good-bye to City Engineer and former Commissioner Evan Pilachowski, who left to take a position in Marlborough Massachusetts. Evan was one of the hardest working and conscientious City officials I have ever known, and a fine human being. We wish him all the best in his new position and deeply appreciate his many contributions to the betterment of our city over his 9 years with the Department.

REPORT OF THE DEPARTMENT OF PUBLIC WORKS, Engineering Division

Alan J. Shelvey, P.E. Acting City Engineer

Evan D. Pilachowski, P.E., former City Engineer

Peter T. Kelley, Engineering Technician

Nathaniel G. Stansberry, Associate City Engineer

The Engineering Division provides engineering and technical services for each division of this and other departments within City government. In addition to this routine work, several additional projects were addressed in 2013-2014.

The Division works to monitor and improve water quality in the City's streams and brooks using a combination of internal resources, State and Federal grants and private donations. In addition, we have worked with the Rutland Natural Resources Conservation District (RNRCD) to distribute stormwater educational materials. Construction of a stormwater mitigation facility on Southern Boulevard was started in FY 2013-14. The project will improve water quality in Moon Brook and was funded by a grant secured jointly by the City and RNRCD. Other City and regional projects for which the Engineering Division has provided assistance and support include the Routes 4 & 7 upgrade along Main Street between West Street and Strongs Avenue, repairs to Crescent Street Bridge, Phase 2 of the East Creek Path, and the water main replacement and streetscape improvement project on Killington Avenue.

The \$5.2 million Northwest Neighborhood Sewer Separation Project, approved by voters in March, and was put out to bid and is currently under construction. This project will result in a significant reduction in Combined Sewer Overflows (CSO) to East Creek as the stormwater is removed from the sanitary sewers. An important additional benefit will be significant reduction of street and private property flooding in the 55 acres of the city involved in this project. Routine activities include landfill post closure monitoring, CSO monitoring, annual city bridge and culvert inspections, various storm water permit inspection and compliance activities, various street paving projects, as well as oversight and assistance of numerous private sector projects within the City.

In 2012, city voters approved a \$1 million bond for bridge replacement. This funding is allowing for the replacement of some critical but deficient bridges. Federal and State funding shares of from 90% to 95% are allowing us to leverage this money to accomplish a great deal of work for a very modest local investment.

The troubling uncertainties regarding the availability of funds due to issues with the federal transportation bill have been resolved and we are optimistic that both Ripley Bridge and Dorr Bridge will be replaced within the next two construction seasons. A contract for the replacement of Forest Street Bridge has been awarded and work has started with a completion date of late fall 2014.

Near the end of May, 2014, City Engineer Evan Pilachoski left the Department to pursue opportunities elsewhere. In his nine years with us Evan earned a reputation for integrity, diligence, competence and good humor. In addition to his outstanding day to day performance, he was instrumental in developing and successfully promoting several long range infrastructure capital plans. For that, Rutlanders of today and tomorrow owe a debt of gratitude to him. We wish him well in his future endeavors.

REPORT OF THE DEPARTMENT OF PUBLIC WORKS, Forestry Division

David S. Schneider, City Forester and Arborist
Woodlands and Timber Management

Forested lands within the City's property holdings in Mendon are managed for multiple uses. Among these, the highest priority is providing a reliable supply of clean water to the Water Treatment plant for the City's potable water supply. This is accomplished by preserving the health of the forest through sound management, restricting motorized public access, and minimizing soil disturbances from timber management activities.

One timber sale was marked on watershed lands this past year. Currently, work progresses on the marking of additional future timber sales that recognize and incorporate improving stumpage values in our slowly recovering economy.

Urban Forest Management

Managing Rutland's shade trees is a continual process that involves removing dead or dying trees and replanting areas for the next generation. Much of the winter months were spent on re-inventorying the entire City shade tree population, by entering data gathered from the field into the DPW's geographic information system. The GIS data will help us in

countless ways to diversify tree species, locate trees susceptible to diseases or insects, plan new plantings and anticipate future removals.

During FY 2013-14 seventy three trees were removed, of which fifty seven required contracted local tree services. One hundred eighty one trees were pruned to improve form, aesthetics and public safety with an additional twenty one trees requiring contracted services to reduce hazardous conditions. Twenty three trees were planted within the streets right of ways during the fall, 2012, tree planting project, and an additional 20 trees from the City's shade tree nursery were planted in the spring, 2013, planting project. This brings the total number of trees produced from the nursery to six hundred and five since 1996.

Working in conjunction with Green Mountain Power, seventy flowering crabapple trees were planted along West Street within the right of way shared with Green Mountain Railroad. To prepare for this project, all existing vegetation was removed from the area, yielding over forty tons of chips. Green Mountain Power helped organize this "Rutland Blooms" project as an effort to improve this gateway entrance into our City and raised all of the necessary funding and volunteers in the planting effort. Planning for next year's project is already underway.

Two storm events occurred during the year resulting in the loss of five city trees. As is typical, dozens of privately owned trees fell into or across the public rights-of-way and were also removed during these various events, yielding over sixty tons of chips.

Rutland City celebrated its 22th anniversary as a Tree City, USA during Arbor Day ceremonies held in Montpelier in May and continues to be Vermont's longest running community awarded this honor. Our local Arbor Day was celebrated with the planting of a flowering crabapple tree, again at the Northeast Elementary school, with students from Stafford Technical Center's Forestry and Natural Resources program and Mayor Louras presiding over the ceremony. The Forestry Division continues to assist other divisions within the Department with roadside vegetation management, snow removal and water system repairs. Additional projects completed included storm clean-up and pruning in the West Street and main Street Cemeteries and vegetation management along several streets within the City. The Division continues to provide educational offerings with local schools, particularly the Forestry Program at Stafford Technical Center, the Rutland Garden club, UVM's Master Gardener Program and Stewardship of the Urban Landscape programs. The City Forester continues to serve on the State of Vermont Department of Forests and Parks Urban and Community Forestry Council. Sincerest thanks go out to all who have helped keep our community a great place to live and work.

**REPORT OF THE DEPARTMENT OF PUBLIC WORKS,
Streets, Water Distribution and Wastewater Collection**
Dave Sears, Project Manager

Streets

The Street Division is responsible for the maintenance of streets and sidewalks including winter street maintenance. We also install, repair and service all the parking meters in Rutland's Downtown area and install and maintain most of the street and traffic control signage in the City. With the encouragement and support of the Mayor and Aldermen the Street Division has made a significant effort to replace sidewalks within the City that are in serious need of repair. To that end the division replaced sidewalks on Wales Street, portions of South Main Street (in preparation for the Route 4&7 project), Madison Street (as part of a Downtown Rutland Partnership lighting project), and 1700 feet on Killington Avenue from East Street to Butterfly Avenue.

The division installed five new way finding signs for the Downtown Rutland Partnership, and repaved or patched multiple ditches from water and sewer repairs and maintenance. The winter of 2013-14 was an "old fashioned" winter that challenged everyone involved with keeping roads and sidewalks clear. The City's winter maintenance budget was exceeded – as was the case for all other communities and the State of Vermont – but the division managed to maintain an uninterrupted supply of road salt and respond successfully to a series of late, major storms. This would not have been possible had the Mayor and Aldermen not supported the upgrade of our truck fleet in recent years. In all the division applied 5169.51 tons of road salt to control winter conditions in the winter of 2013-14.

The City's aging fleet of three sidewalk tractors was reduced to two by mid-winter, and then to a single vehicle on multiple occasions thereafter. As a result sidewalk clearing following the late-season storms took unusually long to complete. A new replacement sidewalk tractor has been ordered and should be available before the snow flies for the winter of 2014-15.

Water Distribution

The Water Distribution Division is responsible for the installation and maintenance of all water mains in Rutland City, and by contract the maintenance of the water distribution system for Rutland Town. The division is also responsible for the installation, service, repair and flushing of approximately 650 fire hydrants in the City and the Town.

The division spent much of the early summer of 2013 moving 32 water services on Woodstock Avenue from the 'Gleason Line' that was installed

in 1856 to the new 12 inch water main installed in 2012. The 1858 main ran either behind or beneath several buildings on Woodstock Avenue, which often made the service connections challenging.

In August the division began and completed a project on Ronaldo Court which consisted of installing 230 feet of new pipe, completing a loop in the water system which had been a "dead end main" since the development of the neighborhood in the late 1960's.

Also on Granger Street at River Street the division removed and replaced a broken 6 inch valve in preparation for the paving of River Street.

The division repaired 26 water leaks or water main breaks throughout the year. The division installed 4 new water service taps. Along with flushing hydrants twice a year the division installed, replaced or repaired 9 fire hydrants.

Wastewater Collection

The Wastewater Collection Division is responsible for the installation, maintenance and repair of all sanitary sewer mains, the storm collection system to include all manholes and catch basins. Beginning in July we began and completed a drainage project on Post St. that has been a recurring issue. This project involved installing 250 feet of perforated pipe and a catch basin. The next project was a sanitary sewer repair on River St. at Forest St. This project involved the excavation of a collapsed portion of the pipe and wye. Making this more difficult was the fact that the pipe is 12 feet deep. A very large excavation was necessary to safely install the new pipe. This also involved removal and reinstallation the existing water main for the project. During the course of our regular maintenance duties the division rehabilitated several catch basins and manholes to coincide with the street paving projects within the City.

The division cleaned several thousand feet of sanitary and storm mains along with the manholes and catch basins at the entrance to the mains. We also de-greased approximately 3000 feet of sanitary mains.

REPORT OF THE DEPARTMENT OF PUBLIC WORKS, Water Treatment Division

Scott Taggart, Water Treatment Manager

Thomas Garofano-Barone, Asst. Water Treatment Manager

The City of Rutland's Slow Sand Water Filtration Facility treated a total of 875,790,600 gallons of water during the last fiscal year. The chemicals used during the process were 3,300 gallons of fluoride, 3,400 gallons of zinc-orthophosphate, and 16,000 gallons of sodium hypochlorite.

The department participated in an EPA full scale lab exercise. This exercise involved a simulated contamination of the water system and tested how the City personnel dealt with the laboratories involved in testing the samples. The exercise provided a good look at policies and protocols that should be followed in the event a real emergency arose.

The Water Treatment Division has had some success combatting the Eurasian milfoil that has taken root in the reservoir. This has and will continue to be a major concern until we are able to rid the reservoir of this invasive weed for good. Since the second quarter of 2012, the City has been in compliance with federal haloacetic acid regulations. We are continuing to address the issues that affect our water quality in order to maintain this compliance.

We appreciate the help from the other DPW Divisions throughout the year.

REPORT OF THE DEPARTMENT OF PUBLIC WORKS, Wastewater Treatment Plant

Robert Protivansky, Chief Operator

Fiscal Year 2014 has proven to be an active year for our staff with many accomplishments to show for their efforts. The division is constantly maintaining, repairing or upgrading the fifteen buildings for which we are responsible and the equipment within. This includes the operation and maintenance of ten sewage pump stations around the City.

The Operators take great pride in the appearance of the grounds at the plant and at the pump stations with regular mowing, weed-whacking, mulching, and painting. There is a lot of maintenance required given the fact that a large part of the plant is nearly thirty years old. Rutlanders are right to be pleased with the effort and pride that the operators take in performing their duties to protect our environment.

The following is a list of some of this year's accomplishments:

- Treated 1,768,810,000 gallons of wastewater and storm water
- Rehabilitated the electrical service, pump controls and grounds at the Laverne Drive Pump Station
- Replaced 200 feet of stainless steel pipe for the transmission of methane gas
- Prepped, primed and painted the 24" piping in the valve pit
- Sand blasted and coated the concrete in the secondary clarifiers to prolong its life
- Re-wired and replaced heating and air conditioning controls in the Administration Building
- Re-modeled the Control Room and Hallway in the Administration

Building upgraded the communication system, painted and replaced ceiling tiles

- Remodeled the Men's Locker Room and Bathroom
- Replaced Intake and Exhaust Fans as well as the associated electrical conduit in the Belt Filter Press Room

RECREATION AND PARKS DEPARTMENT

2013-2014 ANNUAL REPORT

To the Citizens of the City of Rutland:

I respectfully submit the annual report of the activities and accomplishments of the Recreation and Parks Department for the fiscal year of 2013-2014. The Recreation and Parks Department is proud to provide services and opportunities enhancing the overall quality of life for the citizens of Rutland.

It was an exciting year for us as we transitioned from our temporary office headquarters to Courcelle and fully moved our park operation to Courcelle. The process started with moving our equipment in July 2013. Park operations had completely moved on-site by the end of September. We moved our offices around Thanksgiving with our first day of registrations at Courcelle on Monday December 2. Our first yoga class was in January, the theatre program transitioned rehearsals there in March and art programs resumed again in June. It feels great to staff to be settled and to have our full department – administration, recreation and parks all on one campus.

EJay Bishop left the department in early August and I became the interim Superintendent with official appointment in November. EJay left behind many great projects he had started for the city that I am currently finishing. EJay had many years of faithful service to the city and I would say his crown jewel was the refrigeration of Giorgetti Arena. He brought the youth hockey association to the table; was able to secure used equipment through a donation from Earth Waste Systems; secured loans; brought in donations of money and in-kind labor; and dedicated our parks staff to the project. Thank you, EJay, for your years of service to the citizens of Rutland City.

Nicole Densmore joined our staff as a full-time program director in May 2014. Nicole oversees all of our multi-week league and instructional youth sports. Nicole is a graduate of MSJ, Castleton (BA Sports Administration) and CSJ (MA in Education).

Major projects for 2013-14 included:

- New playground at White Park utilizing the volunteer work of our community.
- Engineering studies and design work for Rotary Park. The project will be completed in 2014-15 and includes the removal of the building and re-grading the field to improve drainage and enlarge the playing surface.
- Engineering studies to improve parking at Monsignor Thomas Connor Park and Giorgetti Park.

- Hiring Wymann Lamphere architects to analyze the Giorgetti Arena to determine a cost to meet all code requirements and improve the locker rooms, lobby and concession area. The scope of work includes insulating the building and installing a HVAC system. We will receive an estimate of the cost to renovate in mid August of 2014.
- Renovating Courcelle and relocating entire department to Courcelle

Giorgetti Arena and Pine Hill Park along with the Godnick Adult Center were the hub of much of the activity throughout the year. The pool at White Park enjoyed a busy summer once again as Vermont's largest outdoor municipal pool. Giorgetti Arena houses our ice rink from November to early March; an indoor turf location from mid March to end of April; and our skate park from mid May to end of September.

We hosted a public forum in January to see how we could best meet the needs of the community. The top three priorities from the meeting were for us to focus on improving access to lower income residents into our programs; collaborate with other agencies for facility use; and to grow the trail system around Pine Hill Park. In response to that meeting we streamlined our scholarship process and ran a pilot project utilizing volunteers from Alliance Fellowship Church to pick up children for our U8 soccer program. We are looking at starting an afterschool house basketball program at RIS late fall that would be open to all children with a very nominal fee.

We have continued our partnerships with Rutland Public Schools, Rutland Catholic Schools and Rutland Boys and Girls Club to meet the needs of our youth basketball program. The Pine Hill Partnership, a non-profit Friends organization for Pine Hill Park, opened up the Carriage Trail in the fall that runs from Pine Hill Park to Proctor and they continue to work with neighboring landowners for trail access. We will continue to stay connected to the community to make sure we are meeting the needs of the city residents.

Sincerely,
Cindi Wight, CPRE
Superintendent

FACILITIES

Alexander Keefe Memorial Park

Located on Water Street

Center Street Alley Park

Located inside the downtown block formed by Wales, Center, Merchants Row and Washington Streets.
Benches & picnic area.

Cioffredi Complex

Located off Temple Street
2 Softball Fields and open space.

Community Gardens

Northeast Community Garden—located off Woodstock Avenue behind McDonalds; Garden plots available for public use; 1 mile of walking paths
Southeast Community Garden—located off Allen Street next to Rutland MS/HS Allen St. Campus; Garden plots available for public use
Northwest Community Garden—located at the intersection of Baxter and Pine. Garden plots available for neighborhood use. Bruce Herforth – NWCG lead volunteer.

Courcelle Facility

Located at 16 North St. Extension
Main offices, community programs and park operations.
Home of our Rutland Youth Theatre and Hands on Minds On programs.

Depot Park

Located on the corner off Merchants Row and Evelyn Street
Home of the Farmer's market from spring thru fall.

Giorgetti Park

Located off Oak Street Extension
Telephone # 775-7976
30 acres with 1 Baseball Field, 1 Softball Field, Giorgetti Arena (Flip Side Skate Park, Pine Hill Bike Shop & an ice-skating rink) open fields and the trail access to Pine Hill.

Godnick Adult Center

1 Deer Street
Telephone # 773-1853
Senior Center Director office, program/meeting rooms, exercise room, meal site, gazebo, shuffleboard courts, & open space.

Justin Thomas Memorial Park

Located on the corner of Madison and Prospect Streets
Gazebo, playground equipment and picnic tables.

Main Street Park

Located on Main Street between West and Madison Streets
Arboretum, bandstand and benches.

Monsignor Thomas Connor Memorial Park

Located off Meadow Street
2 Basketball Courts, 3 Tennis courts, 2 Softball Fields (one with lights),
open fields, and playground equipment.

Pine Hill Park

Located off Oak Street Extension
275 acres with 16 miles of Pine Hill Trails for hiking and mountain biking.

River Street Park

Located on the corner of River and Meadow Streets
Playground equipment and picnic tables

Rotary Park

Located off North Street
Support facility, 2 tennis courts, playground, 1 basketball court, open fields
& two handball courts.

White Memorial Park

Located at the end of Avenue B
Swimming & wading pools, pool house, 1 youth baseball field, 5 tennis
courts and 2 basketball courts.

FULL TIME STAFF

EJay Bishop, Superintendent (resigned August 2014)
Cindi Wight, Recreation Director/ Superintendent
Lori Hickey, Program Director @ Godnick Center
Jay Thomas, Program Director
April Cioffi, Program Director
Nicole Densmore, Program Director (Started May 2014)
Bob Peterson, Parks Director
Jay Siliski, Maintenance Foreman
Jeff Pratt, Maintenance Specialist
Steve Canney, Maintenance Specialist
Tyler Dahlin, Maintenance Specialist
Kyle Bourgeois, Maintenance Specialist

CAPITAL NEEDS

Establish a capital replacement fund, which will allow for enhancements and renovations to all City parks and facilities. Many of the existing parks and recreation infrastructure are in need of repair, replacement or major renovation.

PROGRAMMING

The recreation department offers a wide selection of programs, services and activities for the citizens of the community. With the new space at Courcelle we look forward to growing our programs for 2014-15. The following is a list of all the programs and activities offered this year through the recreation department:

SUMMER PROGRAMS

Adult Pick-up Volleyball	ages 18 & up	Pre-Season Soccer Camp	grades 7-12
Art Camps	grades 5-8	Quarterback/Receiver Camp	grades 4-8
Baseball "Game" Camp	ages 9 to 12	Quidditch	all ages
Basketball Camps	grades 1-12	Shakespeare Production	grades 7-12
BMX Biking	ages 5 & up	Skateboard Extreme Camps	ages 5 & up
Day Camp	grades 1-7	Skateboard Travel Camp	ages 8 & up
Challenger Soccer Camp	ages 4-16	Soccer Camp	ages 7-14
Chess Club	all ages	Sports Starter Camp	ages 3-5
Community Gardens	all ages	Strength Training	ages 18 & up
Droopy Pedal Mtn. Bike Series	all ages	Summer Running Series	all ages
Fencing	ages 12 & up	Summer Youth Baseball	grades 4-12
Field Hockey Camps	grades 2-12	Swimming Instruction	all ages
Football Skills Camp	grades 5-8	Swim Team	ages 5-19
Golf Camp	ages 7-14	T-Ball	ages 5-6
Integrative Yoga	ages 18 & up	Tennis Camp	ages 6-15
Junior Baseball	ages 14-15	Theater Camp	ages 6-18
Lacrosse Camp	grades 3-8	Track Camp	ages 6-14
Learn to Skateboard Camps	ages 5 & up	XC 5K Running @ CSJ	all ages
Lights, Camera, Action Camp	grades 5-9	Yoga in the Park	all ages
Mitey Mites	grades 1-2	Youth Mountain Bike Club	grades 5-12
Outdoor Expedition Camp	grades 6-9	Youth Softball	grades 6-12
Open Swim	all ages	Youth Theater Play	grades 7-12
Preschool Camps	ages 3-5		

FALL PROGRAMS

Adult Mtn Bike Clinic	ages 16 & up	Preschool	ages 3-5
Adult Volleyball Leagues	ages 18 & up	RAD (rape aggression defense)	ages 18 & up
Bread Baking	all ages	Rock Climbing	ages 2-12
Cheerleading	grades 4-8	Start Small Baseball	ages 3-5
Chess Club	all ages	Strength Training	ages 18 & up
Duathlon	all ages	Trail Race (10K)	all ages
Fencing	ages 12 & up	Youth Field Hockey	grades K-6
Halloween 5K	all ages	Youth Flag Football	grades 4-8
High School Mtn Bike Team	grades 8-12	Youth Soccer	ages 4-12
Hunter Safety/Bow Safety	ages 10 & up	Youth Tackle Football	grades 7 & 8
Interactive Yoga	ages 18 & up	Youth Theater Performance	grades 1-8

WINTER PROGRAMS

Adult Basketball League	ages 18 & up	Integrative Yoga	ages 18 & up
Adult Coed Hockey	ages 18 & up	Ornament Workshop	all ages
Adult Men's Hockey	ages 18 & up	Open Skate	all ages
Adult Volleyball Leagues	ages 18 & up	Preschool	ages 3-5
Basketball Clinics	grades 4-8	Rock Climbing	ages 2-12
Bread Baking	all ages	Santa Phone Calls	ages 1-12
Broomball	all ages	Sports Starter	ages 3-5
Chess Club	all ages	Stick and Puck	all ages
Curling	ages 9 & up	Strength Training	ages 18 & up
February Vacation Camp	grades K-6	Youth Basketball	grades 1-12
Fencing	ages 12 & up	Youth Theater Workshops	grades 1-12
Freestyle Skating	all ages	Youth Theater Holiday Play	ages 5-18
Ice Skating Instruction	ages 2 & up		

SPRING PROGRAMS

Adult Mtn Bike Clinic	ages 16 & up	Preschool	ages 3-5
Adult Soccer	ages 30 & up	Preseason Baseball	ages 5-8
Adult Softball Leagues	ages 18 & up	RAD (rape aggression defense)	ages 18 & up
Adult Volleyball Leagues	ages 18 & up	Rock Climbing	ages 2-12
Bread Baking	all ages	Rugby	grades 9-12
Chess Club	all ages	Slack line Workshop	all ages
Fencing	ages 12 & up	Strength Training	ages 18 & up
Hunter Safety	ages 10 & up	Vegetable Garden Workshop	all ages
Indoor Field Hockey	ages 5 to adult	Youth Baseball	ages 9-12
Indoor Football	grades 5-8	Youth Lacrosse	grades 1-9
Indoor Lacrosse	ages 5-12	Youth Soccer	ages 4-12
Indoor Soccer	ages 5 to adult	Youth Softball	ages 9-11
Integrative Yoga	ages 18 & up	Youth Theater Musical	ages 5-18
Kung Fu	grades 1-7	Youth Theater Play	grades 3-8

SEASONAL ACTIVITIES

Ice-activities at Giorgetti Arena (November thru February)
 Indoor turf activities at Giorgetti Arena (March and April)
 Swimming at White Pool (June thru August)
 Flip Side Skate Park at Giorgetti Arena (May thru September)

SPECIAL EVENTS

54th Annual Halloween Parade	Downtown Rutland
Art in the Park	Main Street Park
Bicycle Rodeo	Giorgetti Arena
18 th Fall Soccer Jamboree	Hathaway Soccer Fields
Fishing Derby	Combination Pond
20 th Spring Soccer Tournament	Hathaway Soccer Fields
National Night Out	White's Pool
Rutland City Band Concerts	Main Street Park
Seven to Sunset Concerts	Main Street Park
Softball Tournaments	Softball Fields
18 th Youth Basketball Tournament	RHS Gym
12 th Winter Fest	Giorgetti Park
Chalk the Walk	Courcelle
Skate with Santa	Giorgetti

GREAT ESCAPE, SIX FLAGS NEW ENGLAND and BROMLEY ADVENTURE CENTER tickets were offered through the Department at a discount in conjunction with the VT Recreation & Parks Department.

GODNICK ADULT CENTER

The Rutland Recreation & Parks Department's Godnick Adult Center is an integral part of the City of Rutland community. Located at 1 Deer Street, the Godnick Center offers a wide selection of programs, services and activities for the Adult Citizens of the community. The following is a list of all the programs and activities offered this year through the Godnick Adult Center:

GENERAL PROGRAMS

Bingo
Computer Classes at CCV
Country Line Dancing
Fit for Life
Free Legal Advice Clinic for Area Seniors
Groovy Grannies Line dance
Game Time
Hiking
International Folk Dance
Knitting and More Monthly
Movie and Popcorn Time
Movers & Shakers Exercise Group
Novice Bridge

Osher Life Long Learning Institute
Party Bridge
Prana Yoga
Project Snow Shovel
Puzzle Making
Reading and Discussion Club
RSVP Bone Builders Exercise Programs
Senior Duplicate Bridge Game
Senior Golf League @ Proctor/Pittsford CC
SuDoKu
World Dance
AARP Safe Driving

The Rutland Recreation & Parks Department's Godnick Adult Center serves as a meal site for the Senior Nutrition Program. Meals are served Mondays and Thursdays in the Recreation Room at the Center.

VAN TRIPS

Hiking
Monthly Lunch Bunch
Shopping in Holyoke and Yankee Candle
Webs Yarn Shop in MA with the Knitting and More group

SPECIAL EVENTS

Brunches
Christmas Luncheon
GE Retiree's Barbecue
GE Retiree's Holiday Luncheon
Golf Banquet at Proctor/Pittsford Country Club
Holiday Movie with Pizza

Master Gardeners Plant Sale
Parkinson's Support Group Meetings
Senior Picnic at the Rutland Fair Grounds
Senior Seminar Day with TRIAD
Ski Waxing Clinic
Special Luncheons
U.S. Senator Bernie Sanders Holiday Dinner

INFORMATION AND HEALTH SERVICES

Caregivers Workshops
Foot care Clinic with RAVNAH
Flu Shot Clinic with RAVNAH
Health Clinic with volunteer Krista Pike, RN

RUTLAND FREE LIBRARY ASSOCIATION, INC.

Annual Report 2013-14

Back in 2012 the Board of Trustees envisioned “*Building a better community by creating opportunities for people to connect with the world of information and ideas and with each other.*” With that vision they adopted a strategic plan that would ensure “*access to resources, services and experiences that stimulate the imagination, satisfy curiosity and enable a lifelong pursuit of knowledge.*” While the language might appear lofty in the way that long-range plans often do, the distinctive difference is the subtlety of emphasis – emphasis on community, not on library.

Two years later, halfway through this plan the emphasis remains on community need and the year’s accomplishments reflect this quite clearly.

- One of the six goals is focused on our community’s youth and this year we ramped up outreach, expanding Thursday story hours and tying those events to Common Core State Standards to help young children build their skills in language arts and math while having fun. We also expanded the Babies & Toddlers Rock music program on Mondays and are currently partnering with the Parent/Child Center in offering playgroups on Fridays. Looking beyond the Humanities, we sponsored a Robotics Group for middle school students, who took their successful project to competition.
- Ongoing free programs for adults include the Science Pub series, the 1st Wednesdays Humanities Lectures, an independent film series co-sponsored with VT public television, concerts, performances and an anime group that meets monthly.
- The library remained committed to providing tech solutions help as the number of digital devices, complexity of the internet and online job application requirements expanded exponentially and has replaced a now-completed grant internship program with a volunteer who will continue to assist people with computer and e-reader questions at the Help Desk.
- Community use of the Fox Room (always high) increased by 31% this year, taking full advantage of one of the only free spaces for groups in the region.
- Digitizing area school yearbooks, a joint project with the Rutland Historical Society, continued with volunteers as we added Mount St. Joseph Academy and West Rutland holdings.
- The growth and stabilization of the Catamount Library Consortium (Rutland is a founding member) has expanded access to thousands of additional titles, while the refinement of the KOHA operating system offers more personal adaptations for library users to shape services in ways that suit their lives. This includes things like

- notification options, reading lists, sharing capabilities and more.
- We added practical databases to the roster of educational resources so people can repair their cars (*Chilton's Automotive*) as well as practice for a GED exam, *Consumer Reports* so that users can manage purchases while avoiding costly mistakes, and *Newsbank*, for easy research of the *Rutland Herald* from 1999 to the present.

In keeping with the intent to remain responsive to the rapidly evolving needs articulated by the community the Board began a serious examination of the building, its health and its functionality by reviewing the 2009 architects' report on needed repairs, the resulting bond issue work, and a list of items still outstanding. They also hired a consulting firm who specializes in public libraries to assist with planning for currently unmet service needs that remain challenging for a library trying to offer 21st century service in a 19th century post office.

I announced my resignation in the fall of 2013 and a subsequent national search for a new director began in the spring. Abby Noland, formerly director of the Preble County Library District in Ohio, joined the staff in mid August. The library has flourished through the constant support of five communities, Rutland City, Rutland Town, Mendon, Ira and Tinmouth, the Friends of the Library and amazing volunteers. Thank you to all who have contributed so much to keep books available and to keep access open, easy and free.

RUTLAND REDEVELOPMENT AUTHORITY

FY 2014 Annual Report

Formed by Charter in 1989 the Rutland Redevelopment Authority (RRA) has historically served as Rutland City's community and economic development entity. Under the Charter the RRA was established to reduce the property tax burden on residential homeowners, redevelop dilapidated and blighted structures, revitalize the commercial and industrial sectors of the economy, and promote economic opportunity for all citizens. Under an agreement for services with the City the RRA has been directed to specifically focus on the following five areas.

- 1) Grant Administration: The RRA will serve as the primary grant administrative agent for the City.
- 2) Blighted Property: The RRA will focus significant effort and resources to redevelop vacant and dilapidated structures.
- 3) Grand List and Job Development: The RRA will work to increase or improve the quality of the grand list and increase jobs.
- 4) Downtown Designation: The RRA will ensure that the City maintains its State granted designation.
- 5) Planning: The RRA will perform planning duties in coordination with other City entities and represent the City and its interests in related planning initiatives. The RRA consist of two staff, an Executive Director and a Grant Administrator, and is overseen by a nine member Board of Commissioners.

An update on efforts related to each area follows:

Grant Administration:

As illustrated in the chart below the RRA has been active in applying for new grants and administering existing grants for various City projects and initiatives. The RRA will continue to seek both State and Federal grant funding sources to offset and leverage local investment in economic and community development initiatives and infrastructure improvements.

FY 6/30/14

Total **\$4,383,532.00**

Blighted Properties:

The RRA has taken a lead role in developing and implementing strategies focused both on remediation of individual blighted properties and broader neighborhood revitalization initiatives. Led by the RRA Executive Director a volunteer steering committee has been convened, consisting of members of the RRA, Rutland Planning Commission, Board of Aldermen, and City officials, and has in the last year established a new City ordinance creating a vacant building registry in order to prevent vacant buildings from becoming blighted or public nuisances. Further planning focused on the creation of an independent blighted property review committee, remediation compliance, and property acquisition is currently underway. The RRA was instrumental in crafting a new State Statute passed during the 2013 legislative session in the form of 32 VSA 3850 -Blighted Property Improvement Program. The RRA, working in collaboration with our local legislatures, as well as the ACCD, developed language which will allow for municipal tax stabilization to occur for improvements made to a certified “blighted property”. The desired outcome of this effort will be to incentivize private investment and encourage rehabilitation of blighted property both within the City and

throughout the State. A comprehensive housing needs assessment, concluded in September 2012, provided updated information about the current local housing market as well as a recommendation for a targeted area located within the City's northwest neighborhood to focus initial revitalization efforts. A second phase of planning, concluded in February, 2014, has established a comprehensive strategy, utilizing national best practices, for blighted building rehabilitation and neighborhood revitalization. In the spring of 2014 the RRA, on behalf of the City, applied for a Vermont Community Development Program implementation grant to carry out these revitalization strategies. A partnership with NeighborWorks of Western Vermont has been established in which the two entities will work together to identify, acquire, and either rehabilitate or demolish vacant and blighted buildings with the goal of remediating blighting influences and encouraging affordable owner occupied homes. This revitalization initiative is also working in conjunction with Project VISION, law enforcement, and other city departments.

Grand List and Job Development:

Specific to economic development the RRA's role is to provide new or existing businesses with professional and confidential assistance related to site selection, financing, job creation incentives, workforce training, and all other factors related to their decision to invest, or to continue to re-invest, in Rutland City. To provide better information an RRA web site has been developed and continues to be updated. The web site is a tool to provide prospective or existing business' information on the City's economic development resources, opportunities, and initiatives and also hosts a recently developed Rutland City Small Business Resource Guide which was created in 2013 to provide a single source of relevant info about doing business in Rutland City. The site can be viewed at www.rutlandvtbusiness.com. In an effort to stimulate investment the RRA has continued to improve upon two property tax stabilization policies recently developed to encourage new or existing employers to invest in the City. The property tax stabilization can be applied to a new or expanding business' real or personal property and can help lower tax liability on financial investment that has created new jobs in the City. In 2014 another business incentive has been created in a Water and Wastewater Rate Reduction Incentive policy. This innovative policy leverages the City's substantial water infrastructure system by allowing qualifying new businesses to hook into the system with no initial allocation fees and to discount their future base water rate. In the spring of 2014 three new restaurants took advantage of this incentive, cumulatively creating over 100 new City jobs. The RRA continues to serve as the City's representative in facilitating and leveraging economic benefits derived from Green Mountain Power's Solar Capital of New England initiative. To date several solar array developers have moved forward with plans to develop land parcels for

energy generation within the City with several more large scale projects expected to come on line in 2014. Analysis shows significant future municipal tax revenue will be derived from this solar development investment.

Downtown Designation:

The State's downtown designation makes Rutland City eligible for additional state and federal funding opportunities. The RRA was instrumental in gaining the initial designation and is responsible for reapplying for this designation every 5 years with the next update due in 2015. Through the State's Downtown Transportation Fund an implementation grant has been awarded which will allow sidewalk and lighting improvements on Washington Street and the construction of a new sidewalk along West Street connecting the new investment on the Baxter Street Alley and the Vermont Farmers Food Center with the downtown district.

Planning:

The RRA has taken a lead role in facilitating several exciting planning initiatives within the City. These include the commissioning of a hotel market analysis for a downtown hotel and conference center, continuing work on a plan for the future redevelopment of the Evelyn Street Corridor, planning for the potential redevelopment of the former Berwick Site, and a gateway planning initiative to develop strategies for improving the aesthetics, functionality, and future economic opportunities along the Strongs Avenue and West Street gateway corridors. During 2014 the City concluded a disposition process, begun in 2006, when it took final possession of the Courcelle Brothers U.S. Army Reserve Center at 16 North Street Extension. During this process the RRA was designated to serve as the Local Redevelopment Authority (LRA) on behalf of the City. The RRA's final recommendation was that the Courcelle Brothers building be transferred to the City of Rutland to be used for recreational, administrative, programming and maintenance activities. The National Park Service approved the RRA's application and in 2013 the Army assigned the property to the Secretary of the Interior for public park and recreational use. On June 17, 2013 the City took constructive possession of the property and on Feb. 19, 2014 a Quit Claim deed for the property was filed in the land records. The property now serves as headquarters for the City's Recreation and Parks Department. During the past year the RRA has worked extensively, in collaboration with the Rutland City Planning Commission, to update the 2009 City Master Plan. This process included making significant additions and revisions to the existing plan to best encompass Rutland City's goals and expectations for the future. The updated 2014 City Master Plan was adopted by the Board of Aldermen on June 16, 2014.

BOARD OF SCHOOL COMMISSIONERS

Peter Mello, President, Board of School Commissioners

Mary E. Moran, Superintendent of Education

TO THE CITIZENS OF RUTLAND CITY:

Rutland City Public Schools is a learning organization that provides an outstanding educational opportunity to 2200 students at seven schools, two alternative sites, and the Stafford Technical Center. Our superior faculty and staff members focus on the needs of each and every child on a daily basis. Our District Mission Statement concludes with this pledge/belief: "Every Student, Every Day." What follows is a basic and brief report on the status of the system.

Northeast and Northwest Primary Schools each serve approximately 220 students in the Early Essential Education Program (EEE) through Second Grade. The Pierpoint Primary Learning Center, located at the former regional library, houses three EEE classrooms and is part of the Northwest/Pierpoint Primary School community. The Rutland Intermediate School, located on Library Avenue, serves approximately 600 students in Grades 3-6. The Rutland Middle School, also located on Library Avenue, serves 300 students in Grades 7 and 8. Rutland High School, on Stratton Road, serves 875 students. Approximately 250 students attend the full time program at the Stafford Technical Center, and over 400 adults take part in our Adult Education Program. Stafford programs continue to support educational and training opportunities for both the youth and adult populations of Rutland County. The 2014-15 school year will mark the opening of the exciting new STEM Academy at STC.

The number of tuition students attending Rutland High School from Rutland Town, Mendon, Chittenden, Danby, Ira, Middletown Springs, Mt. Tabor, Pittsfield, Plymouth and Stockbridge remains strong. Continued progressive programming, including a large number of Advanced Placement and honors courses, an infusion of modern technology, the development of STEM and Global Studies Academies, the YES Plan and many additional offerings in the Fine Arts, have contributed to the consistent attractiveness of Rutland High School as the most popular school of choice for parents and students in the tuition-paying towns.

The Rutland High School Howe Center Campus serves 40 high school students in an off-campus alternative education and service-learning program designed to prevent students from dropping out of school. The RHS/RMS Allen Street Campus, located on Allen Street, serves approximately 40 students in grades 6-12 who have had difficulties in adapting to a traditional classroom and school environment. This is a model program, which combines academics, adventure-based learning, work and

community service, and therapeutic services for students and their families in a way that better meets their needs, both in school and in the community.

We also offer an extensive co-curricular program for students from grade 3 through grade 12. In addition to a comprehensive athletics program, there is a wide range of clubs and activities that support student learning and development and keep our children active and safe in the after-school hours of each day. The Rutland City Fine Arts program is one of the finest in the nation, and has been recognized as such on two recent occasions. We invite citizens to attend the many music and theatrical performances of our students both in the schools and at the Paramount Theater, and to attend the various visual art displays around the community and at the Chaffee Art Gallery. In addition, the nationally recognized Tapestry Program serves over 600 children in after-school and summer programming offering extensive enrichment, tutorial, counseling, cultural and recreational opportunities.

The health and well-being of our students is at the forefront of our thoughts. After all, a healthy student will achieve more academically than a student carrying a number of risk factors. The Vermont Youth Risk Behavior Survey contains information about the health and lifestyles of students around the state and within the Rutland City Public School district. We monitor the data from this state-generated survey as well as local data to organize our health and wellness resources in support of students and families in Rutland. We are extremely proud of our ongoing relationships with community health and wellness agencies including Rutland Mental Health, Rutland County Head Start, the Department of Child and Family Services, the Rutland Regional Medical Center, and Rutland's Police and Fire Departments.

Your school district continues to operate in a mode of continuous improvement with a focus on targeted professional development and student achievement. As a result, Rutland High School has been recognized nationally as a model Professional Learning Community (PLC). District-wide improvement is focused on six major initiatives: PLC development, Response to Intervention (RTI), Co-Teaching, data-based decision making, "brain based learning," and Positive Behavior Intervention Systems (PBIS), all of which are supported by cutting-edge technology. These areas are where RCPS is spending its resources to allow our schools to evolve on a path of continuous improvement for our students and the community we serve.

Our use of instructional technology has expanded greatly and we are using Smart Technology to improve teaching and learning, K-12. We use the AlertNow communication system for important school announcements and

in school or community emergencies; this system has been very well received throughout the community. In addition, we use a student information system (SIS) called Infinite Campus, which allows us to coordinate all information relating to students and follow their progress over time. The Parent Portal of Infinite Campus allows detailed information about their children to be shared with parents. We urge parents to make use of this important tool.

We are required by federal law to inform our citizens that our schools did not make "adequate yearly progress (AYP)" and, along with all of Vermont's schools, we are listed as "in need of improvement." We mailed a letter to all families explaining these facts, and included a statement from Secretary of Education Rebecca Holcombe who explained the AYP system in detail.

Rutland City Public Schools strive to offer an outstanding learning experience at a reasonable per pupil cost to the city taxpayers. For this school year the district's per-pupil cost is 5% below the state average for all districts. It is important to note that our district ranks 60th of the 62 school districts in Vermont in spending on school and district administration. In Rutland, we offer an outstanding educational opportunity for all of our children at a lower cost than the majority of the school districts in the state.

We look forward to continuing to work with you, our staff, and the students and families of Rutland City as we strive to provide the very best possible education for our community. "Every Student, Every Day!"

Should any reader wish to learn more about the Rutland City Public Schools and education in Vermont, please access the District web site:

OFFICE OF THE TREASURER

FY 2014 Annual Report

To The Honorable Board of Aldermen, Mayor and Citizens of Rutland City:

I am pleased to report that the financial condition of the City of Rutland is sound for the year ended June 30, 2014. The City maintained its budgetary discipline and had adequate reserves to support the City's operation without borrowing in anticipation of taxes, despite challenges in tax collection due to the economy.

Internal, unaudited statements for June 30, 2014 (fiscal year end) show the fund balance of the General Fund is \$3.18 million with the unassigned fund balance at \$1.8 million as of August 31, 2014. The Board of Aldermen adopted a policy to maintain the unassigned General Fund fund balance (reserves) at 10-15% of annual revenues in 2010 to avoid the occurrence of a deficit or surplus, yet provide adequate cash to support operations without borrowing until taxes are collected. The City's unassigned fund balance met this benchmark at year end at about 10% of revenues. It was anticipated there would not be unassigned fund balance in excess of 10% at the end of FY 2014. The City has previously used excess unassigned fund balance to support the tax rate as the City wound down its reserves to agreed-upon levels. The Treasurer's Office placed a high priority on delinquent tax and utility collection in FY 2014, but collection efforts did not result in a dramatic decrease in overall delinquent tax levels due to economic pressures. As a result the unassigned fund balance did not increase over FY 2013. The Treasurer's office will continue to focus on collection efforts in my capacity as the Tax Collector and Delinquent Tax Collector.

A full discussion of the City's financial performance including changes to assets, long term debt, pension obligations and budgetary compliance will be included as part of the annual audit for FY 2014, under Management Discussion and Analysis. The audit opinion has been unqualified since 2011. The audit fieldwork will begin in October 2014 and will be completed on a timely basis to meet state and federal compliance requirements. Audited financial statements will be available on the city website—www.rutlandcity.org or in hard copy through our office as soon as the audit is completed in early 2015. Interim quarterly financial statements (unaudited) can also be found on the City website. The Board of Aldermen receives a Treasurer's Report monthly after reconciliation. The Board of Aldermen agreed to extend a 3 year audit agreement with the current firm, Corrette and Associates, PC.

Unfunded liabilities associated with the City's pension plans for both school and municipal employees continue to be a significant financial issue for the

City. Changes made previously by the school and its employees have resulted in continued improvements in the funded status of the pension for the school. Changes agreed to by the City and its Fire Department and DPW employees increased funding which had a positive impact on the January 2014 valuation report of the pension. As of January 1, 2014 the funded status was 71.69% for the pension as a whole, whereas the unfunded status (adjusted) was 70.33% as of January 2013. Recent changes to increase contributions to meet Normal Cost have not yet addressed underfunding from previous periods. This debt will need to be paid down in the future through greater contributions, cost reductions, or borrowing to ensure the system is solvent. Fire, DPW and non-union new hires no longer participate in the City's pension plan but participate in the state-sponsored Vermont Municipal Employees Retirement System (VMERS). The Pension reports and documents are also posted on the City webpage.

It has been my privilege to be your City Treasurer since March 2007. I want to thank the citizens of Rutland for their support of the Treasurer's Office. I want to thank the staff in the treasurer's office for a job well done with the thousands of transactions that are processed each month and accomplishing the City's third unqualified audit opinion for FY 2013. I expect that our efforts will sustain that opinion for the FY 2014 audit as well.

Wendy L. Wilton
City Treasurer
